“Someone will find
Your bracelet—
So the sensible thing
To do;
Is to run a AD
In **Classifieds**
So they can get in touch
With you.”

“Sure you can find
A seamstress
Who’ll come here
By the day;
Just put an AD
In **Classifieds**—
That’s a sure-fire
Way.”

"These awful mice
Have ruined my chair
Big holes are all
I see;
But **Classifieds**
Can find someone
Who'll upholster it
For me."
